

# "Chasin' Dixie"

Written by Courtney Miller, Kyle Miller & John Hartman 2016

## Verse

65 bout a mile outside of Kentucky  
Stop for gas, couple snacks, grab a bagel and some coffee.  
GPS says 203, baby that don't matter to me.  
All I really need is you and me  
Because

## Chorus

I'm Chasin' Dixie  
    Trying to slow 'er down  
I'm Chasin' Dixie  
    Hopin' we might settle down  
I'm Chasin' Dixie  
    'Fore you know it I'm turned around  
Just let my mind be free  
All I know is, I'm Chasin' Dixie

## Verse

Cruisin' fast, miles pass, got the radio blastin'  
South bound, it's my kinda town, my hearts poundin'  
Sign says welcome to Tennessee, ya this where I wanna be  
All I really need is you and me  
Because

### **Chorus**

I'm Chasin' Dixie

Trying to slow 'er down

I'm Chasin' Dixie

Hopin' we might settle down

I'm Chasin' Dixie

'Fore you know it I'm turned around

Just let my mind be free

All I know is, I'm Chasin' Dixie

### **Bridge**

South bound's where I wanna be

Yeah it feels like home to me

### **Chorus**

I'm Chasin' Dixie

Trying to slow 'er down

I'm Chasin' Dixie

Hopin' we might settle down

I'm Chasin' Dixie

'Fore you know it I'm turned around

Just let my mind be free

Yeah it feels like home to me

All I know is, I'm Chasin' Dixie
